

Metro Health Hospital

On September 30, 2007, Metro Health Hospital opens at its new location in Wyoming, Michigan.

The 208-bed Metro Health Hospital is located inside Metro Health Village on Byron Center Avenue right off M-6. The 8-story, \$150-million medical center has spacious patient rooms, curved corridors, plentiful natural light, expansive views of the outdoors and exquisite natural building materials which combine to make the setting less institutional. Patients and visitors alike also enjoy the added convenience of free lighted parking right outside our doors.

The new Metro Health Hospital sits in the heart of Metro Health Village — a unique 170-acre development with a convenient mix of services.

Outpatient Services

Metro Health Hospital outpatient services are conveniently located right inside the Main Patient/Visitor entrance on the left.
