

Getting To & Around Metro Health Village

Metro Health Hospital sits in the heart of Metro Health Village, conveniently located north off M-6 at the Byron Center Avenue exit in Wyoming. Metro Health Village is a unique 170-acre development with a mix of medical, retail and hospitality services, all with plenty of free, convenient parking. Every building in the village is LEED-certified, built to meet high standards of environmental quality. The village also features paved walking trails and a family-friendly able-to-play park set off in a beautiful, wooded area.
