Application Process

The Metro Health – University of Michigan Health Internal Medicine Program participates in ERAS application system and will be participating in the NRMP match. Internal Medicine Program has applied for Osteopathic Recognition.

Applicants must be U.S. citizens, permanent residents of the U.S., or have a work authorization card or a J1 Visa. Metro Health - University of Michigan Health does not generally sponsor Visas for medical residents, subject to the limited instance where the Hospital determines that U.S. citizens or permanent residents of equal training, experience and competence are otherwise unavailable for the residency program at issue.
