

# COVID-19 VACCINE DISTRIBUTION

DECEMBER 2020 - JUNE 2021

## PHASE 1A

START: IN PROGRESS

Priority One:  
Critical infrastructure health  
care workers

Priority Two:  
Long-term care facilities

Priority Three:  
Health care infrastructure

## PHASE 1B

START: Monday, Jan. 11, 2021

Other essential workers  
who keep critical infrastructure  
open and functioning.

- Individuals age 65 years and older
- Direct care K-12 school and  
childcare staff
- Workers in Critical Infrastructure  
Protection Program
- Staff in homeless shelters,  
corrections facilities, congregate  
childcare institutions, and adult/child  
protective services
- Unique skill workers not covered  
above, such as non-hospital  
laboratories and mortuary services

## PHASE 1C

START: TBD

Populations at high risk  
of severe illness due to  
COVID-19 infection.

- Individuals 16-64 years with  
COPD, hypertension, chronic  
kidney disease, heart disease,  
diabetes, obesity or other  
conditions that put them at  
high risk of negative COVID-19  
outcome

## PHASE 2

START: TBD

All individuals 16 years or  
older (by mid-2021).

**NOTE:** These prioritizations may change  
as further guidance from the CDC or the  
Advisory Committee on Immunization  
Practices, more information on vaccine  
effectiveness and additional vaccines  
become available.
